A Note on Trade: Please provide us with some articles of trade value. These will be used for giveaways, door prizes, and incentives at our events and fundraisers. Please break down gift certificates for smaller values (Maximum value of any one item should be \$25 and minimum should be \$10). Example: If your trade value is \$60, you should provide either three certificates for \$20 each or six for \$10. The smaller the value, the more options we have for prizes.
